ECO-LOGICAL CHAMPIONS

NOMINATE YOUR OWN ORGANISATION, PRODUCT OR PROJECT UNDER ONE (OR MORE) OF THE FOLLOWING 13 CATEGORIES:

1. The Biodiversity Award

Awarded to an organisation for a successful biodiversity protection, rehabilitation, or damage mitigation programme

2. The Climate Change Award

Awarded to an organisation that has achieved a substantial reduction in Greenhouse Gas emissions

3. The Eco-Innovation Award

For a new product or service that is financially viable and sustainable, that serves the needs of humans whilst being equally beneficial to the Earth and its eco-systems

4. The Energy Efficiency Award

For a product or service that results in energy saving

5. The Recycling and Waste Management Award

For a policy, programme or project that has demonstrably contributed to a greater public understanding and participation in waste reduction, re-use and recycling

6. The Transport Award

For a product or service that reduces environmental impact in Transport

7. The Water Conservation Award

For a product or service that results in water saving

8. The Green Economy Award

For a business organisation that provides a product, service or programme that supports the growth of the Green Economy in South Africa.

9. The Municipalities Award

Awarded to a municipality that has achieved developing solutions using its risk assessment and management expertise, forming strategic partnerships to improve sustainability, as well as service delivery in municipal functions

10. The Eco-Community Award

For a community that has acted collectively to protect, preserve, or restore the Earth's life forms, eco-systems, or natural resources

11. The Eco-Youth Award

For an individual of 26 years or under who can show that their actions have protected, preserved or improved the Earth's eco-systems and natural resources

12. The Eco-Angel Award

For an individual, whose actions have conserved, nurtured or restored the Earth's life forms, eco-systems, or natural resource

13. The Eco-Warrior Award

For an individual, whose actions have defended, protected or prevented damage to the Earth's life forms, eco-systems, or natural resources

READ THE JUDGING CRITERIA

These seven virtues of Eco-Logic are used to judge all entries. Make sure your entry addresses each point!
